ABOUT HALO HOUSE

Halo House's mission is to help save the lives of cancer patients battling leukemia, lymphoma or myeloma by providing them with fully furnished temporary housing at a very low cost while they are undergoing active treatment for their cancer at the Texas Medical Center.

The emotional impact of suddenly needing a place to live is enormous. Coming to a strange city and not knowing the area and whether it is safe, clean, and secure can be crippling and Halo House eases that burden and offers comfort. Halo House is not just a building; it is a home – a place that shelters, protects, and nurtures its occupants.

HOW TO REGISTER AND PARTICIPATE

Register at
<https://HHBeKindRewind.givesmart.com>
and follow the procedures below:

To Register: On the homepage of the Gala website, click the yellow button at the top that says “Purchase Virtual Ticket”. Once you complete the order form, you will have the ability to bid on auction items and donate!

On the homepage, you can click the items button to view the auction items available. From here you can either search items by name or item number. Once you see an item upon which you would like to place a bid, click on the item name and scroll down to the blue bid button. This will let you know the next minimum bid. You can choose to bid this amount by clicking the blue “Bid” button and confirm your bid.

To place a maximum bid (the system will bid on your behalf until that maximum amount is reached) click the “Change Bid Amount” or set a “Maximum Bid” button. Type the amount you would like to set as a maximum and place your bid. You will NOT receive outbid notifications until someone has outbid your maximum bid amount.
